

# Maternal Health

## Presumptive Eligibility

**Are you a expectant mother needing...**

- Health insurance coverage or
- Assistance with the Medicaid application process?

**As the Title V Maternal Health agency for your county we can help!**

**Our Maternal Health staff can provide education regarding presumptive eligibility determinations for Medicaid and assistance with completion of presumptive eligibility determination**

- If eligible you will receive a presumptive Medicaid number the day the presumptive determination is completed.

**For more information or to make a referral contact:  
Rachel at  
641-828-2238 or 1-800-472-8711**
